

THE WORLD OF COLD THERAPY

ICE SOLUTIONS FOR WELLNESS, PERFORMANCE,
THERAPY AND CRYOTHERAPY APPLICATIONS

BREMA

BREMA®

ICE FLAKES

A close-up photograph of a pile of small, irregular, translucent ice flakes. The flakes are piled together on a wet, reflective surface, likely a marble countertop. The background is a blurred indoor setting with large windows overlooking a pool and the ocean.

ICE PEBBLES

A close-up photograph of a pile of larger, more rounded, translucent ice pebbles. The pebbles are piled together on a wet, reflective surface. The background is a blurred indoor setting with large windows overlooking a pool and the ocean.

ICE CUBE

A close-up photograph of several large, square, translucent ice cubes. The cubes are arranged on a wet, reflective surface. The background is a blurred indoor setting with large windows overlooking a pool and the ocean.

ICE FLAKES

GB & G FAMILY

Il ghiaccio **Ice Flakes** è ideale per applicazioni nei settori **medicale, wellness, spa** e **crioterapia** grazie alla sua **struttura morbida e facilmente modellabile**, che si adatta al corpo garantendo un raffreddamento uniforme.

È particolarmente indicato per **impacchi di crioterapia** e **trattamenti di recupero muscolare**, risultando una soluzione sicura ed efficace per applicazioni terapeutiche e di benessere.

*Ice Flakes are ideal for applications in the **medical, wellness, spa** and **cryotherapy** sectors thanks to their **soft, moldable structure**, which easily adapts to the body and ensures uniform cooling.*

*They are particularly suitable for **cryotherapy packs** and **muscle recovery treatments**, providing a safe and effective solution for therapeutic and wellness applications.*

ICE CUBE

CB & C FAMILY

Il ghiaccio **Ice Cube** è ideale per **ice bath** e immersioni in **acqua fredda** nei settori **sportivo, wellness** e **riabilitativo**.

Mescolato all'acqua, aiuta ad **abbassare rapidamente la temperatura** della vasca, **favorendo recupero muscolare, riduzione dell'infiammazione** e **sollevio dalla fatica fisica**.

Ice Cube is ideal for ice baths and cold-water immersion in sports, wellness and recovery environments.

When added to water, solid ice cubes quickly lower the bath temperature, supporting muscle recovery, reduced inflammation and relief from physical fatigue.
